

Dialogue Questions

Choose the questions that most appropriately fit for your situation or relationship. Some questions can be adapted or modified depending on whether you are journaling as an individual or as a couple. The focus of each question is on the *description of feelings* generated by the question. Use the Prescription for Dialogue form to help structure your description.

HDIF = How do I feel about...

HDIFAT = How do I feel about that...

HDIFAMA = How do I feel about my answer...
